Certification

I certify under penalty of law the all storm water discharges associated with this industrial activity from the identified facility that is authorized by an NPDES permit has been eliminated ~~and~~ ^{so} that I am no longer operating the industrial activity. I understand that by submitting this notice of termination that I am no longer authorized to discharge storm water associated with this activity under the general permit, and that discharging pollutants in storm water to waters of the state is unlawful under the Clean Water Act where the discharge is not authorized by an NPDES Permit. I also understand that the submittal of this notice of termination does not release an operator from liability for any violations of this permit or the Clean Water Act.
